

Exploring Topographic Change Impacts with a Tangible Geospatial Modeling System ^[1]

Submitted by admin on Fri, 03/03/2017 - 13:25

Title	Exploring Topographic Change Impacts with a Tangible Geospatial Modeling System
Publication Type	Conference Proceedings
Year of Conference	2010
Authors	Weaver K ^[2] , Di Leo M ^[3] , Mitasova H ^[4] , Tateosian L ^[5]
Conference Name	41st International Binghamton Geomorphology Symposium (BGS)
Conference Location	Columbia, SC, USA
